

COMMUNITY ADVISORY

America's Wounded Warrior Amputee Softball Team is coming to the City of Miami Beach. Described by many as America's Heroes these incredible young men have two things in common:

- 1) They are current or former members of the United States Armed Forces
- 2) They all have some sort of amputation received in combat post 911

Miami Beach Police contacted the team and invited them to our City, which they gladly accepted. But one game was not enough, these incredible young men wanted to play several games. The result was a bracket style exhibition tournament spanned over 2 days at Flamingo Park. The Miami Beach, Miami-Dade, Miami and Hialeah Police Departments as well as the Miami Beach Fire Department, will be competing for the honor of playing against the Wounded Warrior Team.

DON'T MISS OUT; this is our City's opportunity to show our respect to these men who unselfishly fought for our country. The response from our community thus far has been overwhelming. Several local business and citizens have generously supported this event.

The main event will be Saturday, December 17 at 8:00 p.m. at the Flamingo Park Baseball Field, which will include the Miami Beach Honor Guard, National Guard's 13th Army Band performing the National Anthem, awards presentation and so much more.

Tickets are \$10.00, in the form of a silicone wrist band with "wounded warrior" printed on them and will get you into two days worth of events and surprises throughout. Donations are also being accepted. Make no mistake this is a fundraiser, with all proceeds being donated to the Wounded Warriors and the Miami Beach Police Athletic League

For tickets or to donate please call 305.673.7383 or contact your Neighbor Hood Resource Officers. Tickets will also be sold at the park.
